JOINT MEETING

THE 4TH INTERNATIONAL SYMPOSIUM OF THE GERMAN-TURKISH OTORHINOLARYNGOLOGY SOCIETY

JUNE 10-12, 2027

RAMADA BY WYNDHAM HOTEL TRABZON, TÜRKİYE

Dear Colleagues and Friends,

It is my great pleasure and honor to welcome you to the Fourth Congress of Otolaryngology and Neurotology in the Black Sea Region, which will be held in Trabzon—a true emblem of the Black Sea from **June 10 to 12, 2027**. Hosting you in this distinguished city, where I was born and raised, is a profound personal privilege.

Trabzon is a city of remarkable heritage. Once the capital of the Kingdom of Pontus and an important center of the Eastern Roman Empire, it continued to flourish even after it came under Ottoman rule in 1461. In the Ottoman era, Trabzon became known as a place where future sultans gained their early administrative experience. Sultan Selim I, one of the most esteemed rulers of the empire, served as governor here, and his son, Sultan Suleyman the Magnificent, was born in this very city. Beyond its historical depth, Trabzon and its region have produced many influential political leaders, athletes, and scholars—among them presidents and ministers who have served, and continue to serve, the Republic of Türkiye. The city is also home to Trabzonspor, one of Türkiye's most prominent and respected football clubs.

Its achievements and passionate fan culture shape an important part of the city's identity.

Travel to Trabzon is exceptionally convenient. Trabzon Airport, located within the city, accommodates more than 140 flights per day, including many direct international connections during the summer offering easy access for our participants from abroad.

We anticipate that our congress, organized in collaboration with the Black Sea countries, will attract a diverse international audience from Europe, Asia, the Americas, Africa, and the Middle East. The scientific program will cover a wide array of topics, including otology, neurotology, cochlear implantation, implantable hearing devices, hearing loss and rehabilitation, vestibular disorders, and auditory genetics. In addition to the scientific sessions, the congress will offer a rich social program, providing opportunities to explore the region's historical, cultural, and natural attractions. Our professional organizing team will be pleased to assist you with travel arrangements, transfers, and accommodations.

I warmly invite you to join us in Trabzon the Pearl of the Black Sea for an inspiring and memorable scientific gathering from **June 10 to 12, 2027**.

SPONSORSHIP OPPORTUNITIES

As the President of the Organizing Committee, I would like to ask for your financial support for this important scientific event.

Your decision to become a sponsor is of strategic importance for the scientific community due to the significance of the topics this congress will address and the acknowledged professionals participating.

In this brochure you may find all the necessary information about sponsorship activities and benefits.

The sponsorship strategy has been implemented in such a way as to meet the high standards of the Congress and maximize its promotion, while at the same time optimizing the benefits yielded to the Sponsors.

We look forward to receiving your positive response.

General Information for Sponsorship Application

Supporter Guidelines:

Supporters participate with the understanding that:

1. Supporters' contributions will facilitate the successful planning and promotion of the BLACK SEA 2027 Trabzon, in addition to subsidizing the costs of management, communication, invited speakers, program production, publications, and related activities.
2. Supporters' exposure and acknowledgment will be provided through credits and entitlements as listed in the Congress Program.
3. Supporters' contributions will not be used for any entertainment expenses unrelated to the Congress activities.
4. The provision of banners, transparencies, and other promotional materials is the sole responsibility of the supporter.
5. Color reproductions will be as close to the specified colors as possible when printed.

Congress Logo:

The congress logo is available for supporters to use in their promotions; however, all usage must strictly follow the guidelines set by the congress secretariat and is subject to approval. All artwork and printing specifications must be reviewed and approved prior to production.

Hospitality (Outside Scheduled Congress Functions):

For assistance with planning social functions, please contact the Congress Secretariat, who can provide comprehensive event management support. If you are organizing separate social events for participating delegates, we kindly request that these do not coincide with the scheduled congress social functions. For easy reference, the scheduled events include:

- Opening Ceremony & Welcome Reception
- Presidential Dinners

These dates and times will be announced well in advance to assist supporters in their marketing and social planning.

HOW TO BOOK

Please fill in the attached **Booking Form** and/or **Space Rental Form** send it to sponsorship & exhibition secretariat via e-mail (blackseaotology2027@serenas.com.tr)

The Professional Congress Organizer (PCO) will then get back to you with the status of your reservation, since bookings are made on a **first-come, first-served basis**. Reservations are only confirmed upon receipt of the relevant deposit payment.
